HISTORY OF THE LEAGUE

Founded in 1906, originally part of the Portsmouth League that played on Saturday & Sunday, the original Youth section comprised Under 18's only. The League celebrated its centenary in 2006.

The League is currently part of the Portsmouth Divisional Football Association and subsequently draws its teams from Clanfield & Petersfield to the North, Emsworth & Hayling Island to the East, Gosport, Fareham & Whiteley to the West and of course the Island of Portsea to the south and all areas in between.

The League consists of approximately 45 Clubs at any given time with over 4,500 players registered during the past few seasons. Many Clubs in the membership of the League have over 30 years experience in providing youth football to their communities, these include:

AFC Portchester, Clanfield, Denmead Youth, Fleur De Lys, Gosport Falcons, Havant & Waterloville, Jubilee 77, Meon Milton, Travaux, & Widbrook United.

In past years the League whilst providing football for all ages and abilities have seen players move through the Youth League into Semi-Pro & Professional football teams including: Duncan Pratt, Liam Daish, Malcolm Waldren, Clive Greenwood, Gary O'Neill, Luke Nightingale, Joel Ward, Matt Ritchie & Jack Whatmough.

Over the past 15 years we have progressed and improved, we are not only a Respect League but also a Charter Standard League. The Charter Standard League is a kite mark that sets an operational benchmark for FA sanctioned leagues.

We have a Committee that is forward thinking with a good balance of people and mix of backgrounds, all working towards the same goal ! We have a solid financial base and a good solid core of Clubs to move into the future.

CHILD WELFARE IN FOOTBALL

Our focus is on safeguarding the welfare of all young people who participate in the Portsmouth Youth Football League whilst protecting them from physical, sexual or emotional harm and from neglect or bullying.

Serious causes for concern are fortunately rare if and when they occur they should be reported to the League's CWO & CWO at Hampshire County F.A. for further investigation.

There is however equal concern for incidents which affect the conditions under which Youth Football is played, particularly those which are considered poor practice. These incidents range from conflict between opposing teams' parents, spectator incursion onto the pitch and general threatening behaviour towards players, officials and supporters. Such incidents have become too common and every Club needs to work towards their elimination to ensure that the children in their charge are provided with a safe environment in which to play.

Clubs are held responsible for the behaviour of their Managers, Coaching Staff, Players, Parents & Spectators (and may incur considerable fines if this duty is neglected) Clubs are expected to advocate responsible behaviour by way of education and example.

Codes of Conduct for all of the above can be found at the end of this Handbook.

A mandatory requirement under F.A. rules is the appointment of a Child Welfare Officer by each Club and these persons have an important role in the implementation of the spirit of Child Welfare. They are trained to a high standard and act as first point of contact for anyone having concern in such matters.

F.A. RESPECT PROGRAMME

Following on from Child Welfare in Football, the Portsmouth Youth Football League and our entire member Clubs are committed to the F.A. RESPECT programme which has been developed to eliminate poor practice at all levels with the sport of football.

We expect ALL participants of the League to vigorously support the programme and trust in turn that ALL will benefit by its adoption.
